

IMPORTANT ROADWORKS INFORMATION

3 February 2025

Broomham Lane and Vert Lane, Whitesmith

Dear Resident / Business owner,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. As part of this, we will be carrying out drainage works on Broomham Lane and Vert Lane, Whitesmith.

When do they start?

Works will be carried out from **Monday 10 March to Friday 14 March 2025** between 9am to 4pm.

We will inform you of any changes to the dates or times via advanced warning signs on site.

What are we doing?

These works involve reforming the ditches and repairing damaged pipework to help alleviate flooding in the area.

How will this impact highway users?

The team will be working along the entire length of Broomham Lane, as well as a section of Vert Lane from the junction of Broomham Lane to 'Bluebell View'.

Access to the road will be restricted for residents for the duration of works. Traffic will be diverted via A22, B2124 and vice versa.

Please be advised, the road will be closed **24 hours** each day during these works.

If you need vehicle access to your property, please discuss this with the team on site. Please bear in mind there will be delays whilst the area is made safe, and your vehicle is escorted by site marshals. Access for emergency vehicles will be maintained at all times.

Information for residents and businesses

Parking: If required, we will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

Weather: All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Waste collection: Access will be granted for any waste collection.

Public Transport: Local bus services have been informed of these works and will be diverted

Properties close to the carriageway may experience a temporary disturbance as this can be a noisy process and those properties may experience flashing lights and reversing sirens.

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network. Should you have any concerns regarding these works, you can contact us at eshcomms@balfourbeatty.com.
